One Seaman Neck Road, Dix Hills, NY 11746**

Dear Business Owner,

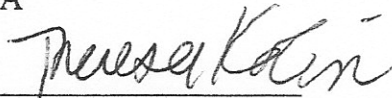

We would like to take this opportunity to tell you about an important local event, taking place on Wednesday March 28, 2012. Our annual Paumanok Night Out is a spectacular Fundraising Event being held at the Woodlands at the Greens in Melville, New York. This is our largest fundraiser of the year, which helps support our Children's Arts in Education program. Our Arts in Education programs enrich and enhance our children's educational experience by bringing fun and innovative programs to the school.

Many of you have purchased advertising space in our evening program in the past and we appreciate your continued support. For those of you who are first time donors, your business will benefit by reaching many people in the community who will, in turn benefit from your services. We are also accepting contributions for our raffles, such as services, product merchandise and/or gift certificates.

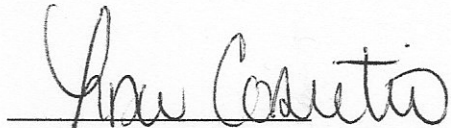

The success of our children's Arts in Education program is a direct result of your continued support in our community and the over 300 people that are in attendance.

We hope you will take part in this important event by placing an ad in our program and/or making a donation. Please feel free to contact *Jan DeCicco* (631) 455-2964 with any questions you may have. We thank you for your support.

Sincerely,  
Paumanok PTA

Theresa Kolin  
2nd Vice President

Lisa Cosentino  
PTA President
